

12-Month Declutter Calendar

Start with the month you are in. Close one ordinary room edge, then let next month wait.

■ ONE ROOM FOCUS EACH MONTH

Start anywhere. If a room is already in good shape, trade it for another ordinary room edge of the same size.

- | | |
|--|--|
| ☐ January: entry coats, shoes, and bags | ☐ July: linen shelves and summer gear |
| ☐ February: bathroom drawers and shelves | ☐ August: backpacks, lunch gear, and school paper spots |
| ☐ March: clothes that no longer fit the season | ☐ September: living-room surfaces and media baskets |
| ☐ April: paper landing spots and desk drawers | ☐ October: outerwear hooks, bins, and shoe rows |
| ☐ May: kitchen drawers and everyday food storage | ☐ November: serving pieces and kitchen overflow |
| ☐ June: play, hobby, or craft supplies | ☐ December: gift wrap, decorations, and one donation handoff |

■ CLOSE THE MONTH BEFORE THE NEXT ROOM OPENS

- ☐ **Return keepers to the homes they already have.**
- ☐ **Put one ordinary donation handoff in its next place.**
- ☐ **Leave unfinished work for a named later date instead of borrowing next month.**
