

Box index

Write the same box number on its label and any first-open entry.

TYPE OR WRITE / REPRINT AS NEEDED

BOX #	DESTINATION ROOM	CONTENTS TO FIND

Use one number for the whole move, even if its destination room changes.
Need more detail? Use another row with the same box number.

Matching box labels

Four plain-paper labels. Cut on the dashed outlines.

TYPE OR WRITE / REPRINT AS NEEDED

BOX #	DESTINATION ROOM
	CONTENTS

Print on plain paper, not a pre-cut sticker sheet. All labels need your own box number.

Open these first

Choose your own items. Copy their exact box number and destination.

TYPE OR WRITE / REPRINT AS NEEDED

ITEM TO FIND	BOX #	DESTINATION ROOM

This is a short list of items you want sooner, not a required packing list.
Changing a box number? Update this page, the index and the attached label.

Move timeline

Add your own dates, tasks and names. No suggested deadlines.

TYPE OR WRITE / REPRINT AS NEEDED

DATE / TIME	TASK	WHO

Keep the dates you choose here. Change a row when your plan changes.
These fields do not fill or update any other page automatically.
