

Sudoku for beginners

Puzzle 1 / puzzle sheet

Fill each row, column and outlined 3 x 3 box with 1 to 9, using each number once.

	1	2	3	4	5	6	7	8	9
1		7		4	3	5	8	6	
2					2	6	1	7	9
3							4		
4					8		6		
5				6				9	4
6		2	1	7		9		3	8
7		1	7		5	4			
8	9	4		3			2		7
9				2			9	4	

Use a pencil. The small numbers outside the grid locate a square for the hints: row counts down, column counts right.

Keep the separate hints and answer sheets out of view until you want them.
