Thanksgiving Trivia

Play on your own or share a sheet with your team. Write one answer per question.

Round 1 / Around the table

01 In the U.S. federal calendar, which Thursday of November is Thanksgiving?

02 What is the name of a male wild turkey’s loud call during spring courtship?

03 Which long-necked bird inspired the name of the cranberry?

04 What do bees carry between male and female flowers on a squash vine?

Round 2 / Out the window

05 Where do wild turkeys often sleep: up in trees or on the ground?

06 You find a nut in a tiny cap. What kind of tree makes acorns?

07 What pigment gives green leaves their color before the fall change?

08 Which is usually shorter in the Northern Hemisphere: daylight in late November or late June?

Round 3 / A little trickier

09 Why do fresh cranberries float to the surface when growers flood a bog?

10 What do you call the thin strands that trail out the end of an ear of corn?

11 What year did Macy’s hold the first parade now known as its Thanksgiving Day Parade?

12 What is the nickname for the full moon closest to the September equinox?
