

Tonight's Sleepover Picks

Write one indoor activity on each card. Put out the next card when the group wants a new idea.

■ CHOOSE THE ACTIVITIES, THEN CUT THE CARDS

Use ideas your group already likes. The backup card is for a quick switch, not extra homework.

1

Start together

Write an easy opener in the blank space

2

Make something

Write one paper, drawing, or craft idea

3

Play at the table

Write one game everyone can join

4

Choose together

Write the movie, music, or group pick

5

Quiet pick

Save this for later in the evening

6

Backup pick

Use this when another idea falls flat
